

MEN'S SHEDS HUNTER CLUSTER INC.

ABN 91 914 085 536

President's Annual Report 2015

AGM of Men's Shed Hunter Cluster Inc on 19 September 2015

The Men's Shed Hunter Cluster had a considerable year 2014/2015. The numbers of Member sheds attending and support for Monthly Gathering has been overwhelming and the membership and interest continues to grow.

The following MSHC members of committee members, and have served the MSHC well in the time since the AGM back in October 2014:

Vice President:	Frank Holden/Col Chapman
Secretary:	Paul Battle
Treasurer:	Baden Milne
Committee Members:	Gerry Egan Alan Sams John King

The greatest achievements in the past 12 months were the number of Member Sheds and members arriving at the Monthly Gathering and to see to interaction between members over a cuppa at the BBQ. Thank you to the Sheds who hosted these events and especial their support by arranging speakers for the day. We have had some great speakers and activities over the year and we should look forward to the next Twelve months. Getting out to different shed each month shares the load on anyone shed and it is good the see how the other sheds work.

The MSHC Constitution has now been revised and adopted by the Members Sheds at the Special Meeting in August 2015. Thank you to Alf Braye for his help and guidance during this process and all the other members who contributed to achieving this millstone.

Also thank you to all the Member Sheds that took on projects on behalf of the MSHC.

The MSHC storage facility is now in operation and a number of sheds are taking advantage of this facility to store equipment and share tooling with each other's.

I would like to thanks you all for your interest and I look forward to see MSHC continue to grow and support Member Sheds in the coming year.

Regards,

Stephen Wall
President
MSHC
